Austin Lifestylist

Dear Marjorie,

Thank you again for the wonderful and inspiring session you presented during the Women In Nuclear (WIN) Conference held in the beautiful city of Austin, TX. Without a doubt, your presentation during the "Strategic Career Planning" break out session was the highlight of the entire conference!

All the feedback that has been received provided only rave reviews of your presentation. You made the audience feel at ease and we all were totally mesmerized by how effortlessly you transitioned from one outfit to another. You not only offered women options for dressing for the business environment, but you also offered practical tips on how to take the stress out of shopping and dressing for both work and home life.

Your session was held on Monday afternoon. The positive feedback continued even as we were closing out the conference on Wednesday evening. As I flew back to North Carolina on Thursday afternoon, your session was still a hot topic.

Thank you again for all your hard work on our behalf. I hope we will more opportunities to work together in the future.

Warmest Regards,
